SKIP BINS ON PUBLIC LAND REGULATIONS

NOTE: No fee or notice is required if skip is located on private property. If possible, waste containers should be placed inside private property boundaries, rather than on Council's property.

Please advise customer service centre if the period of licence alters after completion of the application.

Garbage skips or bulk waste containers may be placed within the roadway under the following conditions:

1. Containers may only be left by companies or individuals who hold a current permit from Council.
2. The Applicant is responsible for ensuring that the waste container company has public liability insurance to the value of \$10m.
3. Placing of containers on any footpath, regional or state road, or other public area will not be permitted.
4. Permits can be obtained by paying the required fee and completing an application form.
5. Only one container may be placed outside any property at any given time, and must be outside the property of the owner/hirer.
6. Containers must be visible at all times (eg. marking plates, reflective tape, flashing lights), and must comply with the rules and regulations under the Motor Traffic Act.
7. Containers shall be placed in locations that a car could legally be parked and must not obstruct stormwater flow in the gutter or traffic flow in the street. They are not permitted where parking is prohibited for motor vehicles under the Motor Traffic Act, whether signposted or not.
8. Containers are to be a maximum of 1.5 metres wide, 3 metres long and 1 metre high.
9. Containers shall not pose any hazard to the environment, pedestrians or vehicles.
10. Containers may not be used for the disposal or storage of putrescible, inflammable or explosive materials.

Any containers which do not comply with these regulations are to be placed within private property.

Upon Council inspection of area after removal of waste container, any unused portion of deposit will be refunded unless damage to Council property has occurred..

Please note that Council officers may order the removal (or impounding) of any waste container from Council property which is causing a nuisance and/or not conforming to the above regulations.
