Placement of Waste Containers in a Public Place

This guide provides you with information to enable you to identify the plans and supporting documentation you will need to provide.

Council will not accept your application if you fail to provide all relevant documentation.

Terms & Conditions

- Council will not permit the storage of bulk waste containers or waste trailers on a footway, nature strip, mall or road shoulder where waste containers or waste trailers can be located on private property.
- Council will not permit the storage of bulk waste containers and waste trailers on footways, or road shoulders etc. if such placement may endanger the safety of pedestrians or create a hazard to vehicular traffic.
- Regard shall be given for the protection of any Council assets, including street trees, furniture and pavements. Where potential issues are identified, consideration is to be given to the imposition of a suitable condition to ensure protection of the asset, including tree protection measures.
- Generally, bulk waste bins and trailers will not be permitted on sites with threatened species or under trees, if possible root zone impacts are identified.
- No bulk waste container or waste trailer shall be placed on the footway, nature strip, mall or road shoulder until a permit has been obtained.
- Acceptable dimensions for waste containers to be placed on road shoulders or footpaths, footways, nature strips or malls are as follows:
